Lucas Co. Entities Host News Conference on Upcoming 2020 Census

- WHO:** U.S. Congresswoman Marcy Kaptur
Wendy Pestrue, United Way President & CEO
Keith Burwell, President, Toledo Community Foundation
Cheryl Grice, CEO of Pathway
Various community nonprofits and advocates
- WHAT:** The nation's decennial Census allows the state of Ohio to leverage \$21 billion from the federal government for programs such as Medicaid, public school lunches, foster care services, SNAP, Head Start / Early Start, highway planning and construction, and many other health and human service initiatives.
- With the 2020 Census moving away from paper forms and onto internet-based applications, community leaders must make an even greater effort to ensure that all residents within our neighborhoods know about the Census and its important role in providing supportive funds to our community.
- WHEN:** Monday, April 1, 2019
10:30 a.m.
- WHERE:** United Way of Greater Toledo
424 Jackson St., Toledo, OH 43604
